Master's Evening Business in Society - 6 December
The Research Master's programme Business in Society addresses the intricate relationships between business and society, as can be seen in grand challenges posed by e.g. the financial crisis, society’s request for ethical leadership and corporate social responsibility, and the need for sustainability. This programme results from a joint effort of the Amsterdam Business School (ABS) at the University of Amsterdam and the Faculty of Economics and Business Administration (FEWEB) at VU University Amsterdam to educate a new generation of business researchers who will have a profound grasp of the societal trends that are changing the face of business. For more information please click here.

KIN Talk Anneke Bakker - 9 December
KIN is excited to announce the upcoming KiNTalk by Anne Bakker, Industry Manager Travel & Telco at Google. She will talk about how innovation takes place at Google. It will be held from 16:30 till 17:30 on the fifth floor of the mail building. Please sign up here.
