KIN Talk Anneke Bakker - 9 December
KIN is excited to announce the upcoming KINTalk by Anne Bakker, Industry Manager Travel & Telco at Google. She will talk about how innovation takes place at Google. It will be held from 16:30 till 17:30 on the fifth floor of the mail building. Please sign up here.

FEWEB PhD lunch with the Beadle - 15 December
On Thursday, December 15th from 12:00-13:00 (HG 1A-36), the PhD Council has organized a lunch seminar with the Beadle’s office (the ceremonial officer of the PhD defense). The Beadle will speak about the procedure around the final and exciting part of your PhD journey: the dissertation and defense.

Sign up here if you would like to know all about what the Beadle’s office does and to learn everything you need to know the defense procedure (even if it feels still miles away!)

NEWS
Friso Schous joined M&O Department
Friso Schous has joined the M&O department to work on Jos Akkermans and Paul Jansen's research regarding predictors of study success. He will focus primarily on analyzing the first year student data collected by Carolin Ossenkop.

Previously Friso worked at TNO, where he researched various subjects including difference in employees with permanent contracts and temporary contracts, improving social innovation within companies, and effective use of social media within the Dutch logistics sector. He is also currently working as a teacher research methods as Leiden University. More information on Linkedin.
